## STAND UP, TAKE ACTION, END POVERTY NOW!

### GLOBAL EVENT October 16-18th, 2009

# 173,045,325 PARTICIPANTS

The record for the most number of people to "Stand Up Against Poverty" was set from October 16-18, 2009 and has officially been recognized as a new Guinness World Record. It is also certified as the largest mobilization around a single cause in recorded history.

Your passion and commitment has helped make this possible. You have inspired a global movement against poverty and in support of the Millennium Development Goals. The UN Millennium Campaign would like to acknowledge and honour your outstanding efforts and thank you for your support. We ask you to continue to stand with us, today and every day to demand that our leaders take urgent action to keep their promise and end poverty now!
